Por encima de las luces del valle

Kristine S. Castillo

Abstract

"Por encima de las luces del valle" is a Spanish poem inspired by a meaningful encounter with someone special. The poem captures the experience of hiking together and the quiet emotions that emerged while sharing the beauty and stillness of the mountains. Through Spanish imagery and poetic expression, the piece reflects how an ordinary journey can become a memorable moment when experienced with someone who holds a special place in one's heart.

Por encima de las luces del valle

Hablamos, compartimos historias, pasamos tiempo juntos.
Y de pronto, surgió esa misteriosa pregunta:
¿Deberíamos encontrarnos?
Hubo obstáculos en el camino, pero decidimos seguir adelante.
Y así, nos encontramos,
sin saber lo que el futuro nos tenía preparado.

Subimos la montaña sin saber
el paisaje deslumbrante que nos esperaba.
Algunos decían que era una locura subir de noche,
pero no nos detuvimos.
Y entonces, justo allí, fuimos testigos de una luna radiante.
La más grande y hermosa que he visto en mi vida.
Luego, nos miramos a los ojos.
Nuestras miradas se cruzaron, y también nuestros labios.
Nos besamos de la forma más romántica que pude haber imaginado,
un beso bajo la luz de esa luna tan brillante.
Te adueñaste de mi corazón de la manera más misteriosa.

En este instante fugaz,
no estoy seguro de lo que todo esto significa.
Pero de una cosa sí estoy cierto:
Tú iluminas mi camino oscuro,
le devuelves la sonrisa a mi vida aburrida,
y cuidaré esta vida contigo,
Amor mío, bajo la luz de la luna.

Above the Valley Lights

We talked, we shared, we let the hours pass,
until a sudden question broke the quiet:
Should we meet?
The path was tangled with doubts,
but we chose to step forward anyway,
walking blindly toward a future we couldn't see.

We climbed into the mountain's shadow,
ignoring the voices that warned us of the dark.
We kept going, step by step,
until the world opened up,
and there she stood.
A full moon, massive and bright,
the most beautiful light I had ever seen.
But then my eyes found yours,
and the sky vanished.
Our lips met in the quiet brilliance,
a kiss more romantic than any dream.
Lost under the silver glow,
you claimed my heart in ways I still cannot fathom.

I don't know where this fleeting moment leads,
or what the stars have written for us.
But this I know for certain:
You illuminate my darkest paths,
you bring laughter to my quiet world,
and I want to keep walking beside you.
My love, under the moonlight...
To be continued.
